Unit 2 **Catalysts of Migration and Dislocation** **Population Geography**

For each region find at least one real-life example; either current or historic (after WWII). Briefly discuss each example. If you cannot find an example in the reading, find one through your own research.

Region	Migration Flow (or trend)	Dislocation (Refugees)
Europe		
North America		
South America		
South, East or SE Asia		
N. Africa or SW Asia		
Sub-Saharan Africa		

Catalysts of Migration: Types of Push and Pull Factors - Give ONE example for each, and specify if it is a "push" or "pull" factor:

Legal Status	
Economic Conditions	
Power Relationships	
Political Circumstances	
Armed Conflict & Civil War	
Environmental Conditions	
Culture and Traditions	
Technological Advances
