

## Unit 9 Mini-DBQ Instructions and Documents

**Instructions:** This question is designed to test your ability to work with and understand historical and geographic documents. It is suggested that you take a few minutes to plan and outline your response before you begin writing. Compose a free response essay (containing no thesis, introduction, or conclusion) that uses ALL the documents. You should present a cogent argument based on your critical analysis of the questions posed and your understanding of history and geography.

\* You may cite relevant evidence from your outside knowledge of world history and geography in addition to the documents provided.
